RE: In Re: New England Compounding Pharmacy, Inc.  
Multi-District Litigation, MDL 2419: Lead Case No. 13-md-2419

Dear Mr. Farrell:

By a Notice issued on September 24, 2013, the First Circuit Court of Appeals granted my "Request for Removal from Service List" in regard to the above listed multi-district litigation, which is filed as Case No. 13-2007 by the Circuit Court. Doylestown Hospital never purchased any of the products at issue in this case and has no complaints filed against it.

I continue to receive notices from a variety of participants in this litigation in the District Court litigation. Can I use the filing with the First Circuit to confirm that Doylestown Hospital has been removed as a non-party litigant? Or do I need to make a separate filing with you? I would appreciate your advice on this matter.

If you need additional information, please let me know.

Yours sincerely,

  
John S. Reiss, Ph.D., J.D.

Vice President and General Counsel.
